Dear Dr. Abadier,

On behalf of everyone here at Citrus Memorial, I would like to congratulate you on being a "Patient Experience Hero" for first quarter 2012.

The Physician Hero Selection Committee received several incredible nominations. Your patient, Yvonne Kuntz, nominated you as a Physician Hero for the outstanding care you provided. I've attached a copy of the nomination form for you to read the kind words spoken about you.

Your dedication, compassion, and commitment to provide quality care to our patients are truly inspirational. We are honored to recognize you among the 1st quarter "Patient Experience Heroes" at Citrus Memorial Health System.

You will be highlighted on our website, on the "Physician Experience Hero" wall in the hospital, and in the next Physician Focus Newsletter.

Thank you for your continued support and commitment to excellence in patient care.

Sincerely,

Ryan Beaty  
President and CEO
